Our Three Fold Mission

1. To help women grow in their faith. Please call us if you want assistance in writing your salvation testimony, sharing your faith, establish a daily quiet time, learn how to do personal Bible study or lead a Bible study discussion. You will glorify God as you become a Titus 2 woman.

2. To see women invite their friends to our events, to share God's saving grace and further His Kingdom.

3. To co-partner with the East Coast Conference in learning how women can minister to other women in the church and in the community through conferences, special meetings, missionaries, and retreats. We seek to support them financially when we are able.

Our denomination The Evangelical Covenant Church, headquartered in Chicago, Illinois. The East Coast Conference has 100 churches from Maine to Virginia. We have the joy at ECC Springfield to support six missionaries and ten mission organizations.
